TOWN OF DORSET ZONING APPLICATION CHECK LIST

A Zoning (Building) Permit is required if you plan any of the following:

- Change the use of land by building on it.
- Devote a Building to a new or changed use. For example, residential to commercial; commercial to residential; or change the type of commercial use.
- Erect a Building.
- Enlarge or extend the footprint of a Building (including decks and terraces).
- Add to the interior volume of a Building.
- Renovate the outside of a Building.
- Move a Building.
- Demolish a Building.
- Construct an accessory Building (a shed) or addition costing more than \$1,000.

Have questions about whether or not your project needs a permit? Call the Town of Dorset Zoning Administrator **362-4571 ext. 5**
