### **Design Review Board**

No meeting held in September.

### **Bylaw Discussion**

K. Wallace presented her additions to the Town Plan in support of the town’s historic appeal, as well as the prohibition of aircraft landing areas. This was forwarded to C. Bryars/BCRC

for review and comment. She also noted the DRB's suggested edits to the Design Overlay section on pages 2-49 and 2-56. Topics covered were lighting, driveways, sidewalks, and where feasible, to repair rather than replace original building materials. Edits to the proposed bylaw were sent to B. Saxton for review and comment. K. Wallace will forward both documents to all PC members and the ZA via email. These will be reviewed at the November PC meeting. K. Wallace also noted the boundaries of the Design Overlay District were reviewed by the DRB and no changes were suggested.

K. Wallace noted a draft map of a possible Design Overlay District in E. Dorset has been created. Because the residents of the proposed overlay district need to vote on whether to create this, it will not be part of the amended bylaw presented to the Selectboard. There was some discussion regarding listing this area on the National Register of Historic Places. T. Yandow noted town design overlay districts need not be listed on the National Register in order to be created.

G. Squire noted a recent decision by the town of Lincoln to ban aircraft landing areas. It is unclear whether this will be appealed.

It was the general feeling of the board that the amended bylaw could be presented to the Selectboard after reviewing the document with B. Saxton at the Nov. 1, 2022 PC meeting. T. Yandow will contact B. Saxton to determine what times/dates she is available. Public hearings will be held after the document is reviewed by the Selectboard.

#### **Multi-Use Path**

The proposed section connecting the Dorset green to H.N. Williams Store was discussed briefly. The question of parking was raised. It appeared to be the consensus of the board that this will not be a problem as most visitors will have parked at their lodging facility, and locals will not drive to the path but rather ride from their homes.

**Other Business** - None.

**Public Comment** - None.

**The next Planning Commission meeting will be held Tuesday, November 1, 2022 at 7PM. All members indicated they are available to attend. The bylaw discussion will be on the agenda and B. Saxton needs to attend.**

**Adjournment** – 8:30PM - Motion to adjourn was made by G. Squire and seconded by S. Durgin. Motion carried 9 – 0.

*An audio/video recording of this meeting was made and is kept at the Dorset town office.*

Respectfully submitted,  
Tyler Yandow AIA  
Zoning Administrator
